WELCOME

Despite 2020 being both a trying and difficult year for us all, I am very much looking forward to welcoming you to the Monart Sale. Both in person and virtually thanks to our new site dedicated to the live streaming of all aspects of the sale and the ability to now register and bid online from the comfort of your own home.

Rest assured, anyone attending the sale all measures will be in place to provide you with a Covid safe environment.

When we started our sale, the first of its kind in Ireland back in 2010 we did so with the vision of bringing some of the best young horses that Ireland had to offer direct to some of the best riders in the world. Our goal was to provide a platform for vendors in Ireland to bring horses and get a fair & honest price for their horse, and for buyers to have a sale where they felt safe in the knowledge that everything was transparent and of the highest quality.

We are very proud that our sale has run since its inception with that ethos at its core and very much continues to do so today.

Horses sold at the Monart Sale have gone on to represent us at every major championship for both young & old horses. We have had horses at the Olympics, Worlds, Europeans & every 5* event in Europe & the USA. Along with horses representing us at all the young horse championships like Burghley, French young horse championships, the RDS & Le Lion D'Angers.

Finally those attending this years sale, we deeply appreciate your support and enthusiasm but we ask you to check the most up to date public health advice before travelling to Wexford.

Niall Griffin.
